Dear Mr. Johnson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limits established by the Act. The Act precludes an individual or a political committee from making a contribution to a state party committee in excess of \$5,000 per calendar year. (2 U.S.C. §441a(a)) However, a political committee may make unlimited transfers to a state party committee if the excess amount is determined to be and disclosed as "excess campaign funds". (11 CFR §113.1(e))

If the contribution(s) in question was not completely or correctly reported, you should amend your original report with the correct information. If the contribution made was excessive, you should notify the recipient and request a refund of the amount in excess of \$5,000. You should inform the Commission in writing of such a refund and provide a copy of the refund request sent to the recipient committee. The refund should appear on Line 15 of the Detailed Summary Page and on a supporting Schedule A of the report covering the period in which the refund is received.
